Subject: RE: - First Planning Meeting / The Time Machine

Dear all

Thank you for sending this over.

As previously discussed we are in the process of drawing up the proposed parameters for the search, based on all of the material in our possession. This includes the attached video, although thank you for sending on.

Once we have these parameters I would like to review them with Mark in person at the farm if possible. We anticipate that this may be on the 18th, 19th or 20th June, depending on your and Mr Marsh's availability, as well as the product being ready. This will also be a good opportunity to discuss your CGI product. I would be grateful if you can let me know your availability over those days. I would ask that Mark comes alone, or with Sheeva, and am happy to provide transport.

Finally, for the reasons set out previously, we are not looking to approach the Home Office with regards to bringing Hosein to the UK. Should he travel of his own volition we will of course be happy to meet him again.

Kind regards
