Dear Home Secretary,  
RE: RETURN TO THE UNITED KINGDOM

I am Nizamodeen Hosein and I write to ask for your assistance to return to the United Kingdom.

In 1969 I arrived in the United Kingdom from my native Trinidad. The following year I was arrested and convicted of the kidnap and murder of Muriel McKay.

Having been sentenced to life, I served over 20 years in British prisons. Following my release I was deported and returned to Trinidad, where I have lived since.

I have accepted and I admit my involvement in the kidnap and death of Muriel McKay, and commencing in 2022, I have been attempting to assist the family of Muriel McKay, primarily her daughter Dianne in locating her body.

I believe I am the only living person who knows where Muriel's body is and would like her body to be found before I myself die.

I have been attempting to assist Muriel's family by speaking with them and their representatives to give directions to where the body was buried. I have also taken part in interviews with officers from the Metropolitan Police and attempted to assist with the use of CGI models of the farm where Muriel was kept and subsequently died. None of these attempts have proven successful.

I have been asked to return to the United Kingdom, by the family of Muriel, for a short time to attempt to assist them and the police in locating Muriel's body. I am willing to do so, the only thing that stops me from returning is that I am subject to a deportation order.

I am therefore asking that you assist me in being given permission to return to the United Kingdom, for a short period of 7-14 days, for the sole purpose of facilitating my assisting the family of Muriel McKay in obtaining much needed closure.

Although I have had assistance in the drafting of this letter, I have read in thoroughly myself. I confirm it's contents are true and correct. I have directed this letter be written on my behalf and now sign it of my own free will.

I would be most grateful if you would assist me in any way that you can.

Thank you kindly in advance.

Yours sincerely,
